Certificate III in Individual Support (Ageing)  
(CHC33015)

The Certificate III in Individual Support secures your long-term employment and prepares you to care for Australian seniors effectively in residential facilities and their homes, making real change in their lives.

This qualification reflects the role of workers in the community and/or residential setting who follow an individualised plan to provide person-centred support to people who may require support due to ageing, disability or some other reason.

This training is delivered with Victorian & Commonwealth Government Funding. We actively tailor training for people from diverse backgrounds, including those with disabilities, and encourage all to apply.

This nationally recognised qualification is delivered by Stirling Institute of Australia (TOID 21132) www.sia.edu.au
