Certificate IV in Allied Health Assistance (HLT43015)

This program looks to bridge the industry gap between rehabilitation techniques and end-range strength programs/return to work/play protocols currently seen in the industry, hence the inclusion of strength and conditioning unit codes.

Our target students will be Personal Trainers looking to upskill, or university students looking for practical knowledge to support their studies.

This training is delivered with Victorian & Commonwealth Government Funding. We actively tailor training for people from diverse backgrounds, including those with disabilities, and encourage all to apply.

This nationally recognised qualification is delivered by Stirling Institute of Australia (TOID 21132)

MKT056 - Stirling - Cert IV Allied Health Assistant

COURSE HIGHLIGHTS

HANDS ON TRAINING
AN ORGANISED INDUSTRY WORK PLACEMENT
ABILITY TO APPLY YOUR SKILLS IN OUR PRACTICAL TRAINING ENVIRONMENT

START A CAREER THAT REALLY MAKES A DIFFERENCE NOW.
